

Christians: Repent ! (2 Chronicles 7:14)

Reasons Christian Pro-lifers and Constitutionalsists CANNOT VOTE FOR GEORGE W. BUSH IN NOV. 2004:

Summary:

George W. Bush is an Oath-breaker and Covenant-breaker

President George W. Bush took this Oath of Office on January 20, 2001:

“I do solemnly swear that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States.” From Article II., Sec. 2., U.S. Constitution

As listed in part below, President George W. Bush has repeatedly violated his Oath of Office, and by Constitutional standards, should be impeached by the U.S. Congress.

Furthermore, the man George W. Bush claims to be a Christian. As listed in part below, Bush has repeatedly broken covenant with Almighty God, continually and unrepentingly violating God’s Commandments. **Bush is NOT Pro-Life !!! Bush is NOT anti-sodomy !!!**

As follows: for more detail, documentation, and examples, go to www.BushRevealed.com

1. George W. Bush has repeatedly violated the First Commandment:

He has praised the demonic religion of Islam as a “great religion”; has blasphemously claimed Christians / Muslims worship the same God / god; and celebrated Ramadan in the White House.

2. Bush has violated the Sixth Commandment and the 5th Amendment of the US Constitution by shedding the innocent blood of unborn babies:

- His own stated position on abortion supports so-called ‘exceptions’ to a ban on all in-utero child-killing, violating God’s Word in Exodus 20:13, and the 5th Amendment.
- His has signed legislation appropriating \$100’s millions to the Title X birth control program which funds abortifacients and contraceptives for unmarried adolescents to fornicate
- This same legislation contains over \$50 million (est.) per year in the Title X birth control program which is given to **Planned Parenthood**. **PP kills over 200,000 babies per year.**
- After almost 3 years in office, Bush finally signed the PBA ban bill in November 2003 - Congress had already passed it twice in the Clinton years - timed just a year before the elections.

3. George W. Bush has violated the 7th Commandment and declined to defend the 10th Amendment concerning the abomination of sodomy:

- He has repeatedly appointed open sodomites to high office, including Michael Guest as the U.S. Ambassador to Romania, whose sodomite partner was recognized at the swearing-in ceremony by Secretary of State Colin Powell. Guest now lives with the man in Bucharest.
- The Bush administration declined to file a friend-of-the-court legal brief defending the sovereignty of the State of Texas to criminalize immoral, abominable sex acts (sodomy) in the Lawrence case; and Bush further justifies the wicked by supporting sodomite civil unions.

4. George W. Bush has repeatedly violated his Oath of Office by signing grossly unconstitutional legislation: e.g., the Bush-Kennedy ‘No Child Left Behind’ education bill; the ‘Patriot’ Act; the Campaign Finance ‘Reform’ Act; the October 2002 Iraq War Resolution (by which he has illegally waged the undeclared Iraq War, in violation of Art. I., Sec. 8. of the US Constitution, and caused almost 500 American troops to be killed (as of 1/5/04)); and the Medicare socialized medicine expansion for prescription drugs.
